

To whom it may concern,
I received ~~the following~~ ^a discharge notice from the Bankruptcy court (It was forwarded to my new address). I recently moved please send any further notifications to 47e Brown Blvd. Havelock N.C. 28532.

I don't understand how attorney's firm goes bankrupt and no one takes care of their clients?

I also don't understand how, I asked, and asked them what they were doing and for paperwork? I received Stalling and lies.

I paid \$5,500 (monthly payments) for a modification and received nothing.

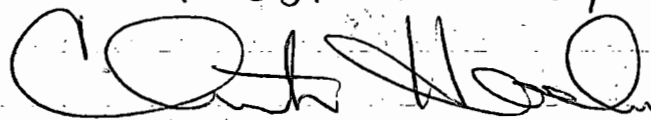

I was contacted by my mortgage company and was told that if I notified them earlier they would have been able to help (after a bad motor vehicle accident) I told Litvin & Torrens and was told not to talk to them if I wanted their help and they never did anything. I lost my home. What did I get a letter from Bankruptcy Court.
